

Combination play with edge

- Set up in front of a goal keeper with a pass-triangle, 1 cone goal and 1 starting cone
- Name 3 couples attacker and position it in the box
- 3 Determine combination player and assign to the pass-triangle
- All other players position themselves at the starting cone on the wing

Expiration

- A passes to B who passes to C.
- At the same time, the first player starts at the starting cone on the sidelines along toward baseline.
- C passes diagonally through the cone goal on the wing player who takes an awkward in movement and crosses on the two incoming attacker goal.
- The attackers trying to exploit the cross head.
- After several passages change tasks.

Variations

- Designate one defender who acts in the penalty against the two attackers.
- Can play 3 attackers against 1 or 2 back at the gates.

Tips and corrections

- At the pass Triangle prepare enough spare balls.
- The Crosser the Zuspiele to as light as possible diagonally forward with only one ball inside, that they can make immediately near the baseline.
