### 5-star Sniper

5 players are positioned around the edge of the 18yd box with 4 balls each  
 Players communicate to the sniper (attacker) where the pass is coming from  
 Sniper must check away from mannequin and shoot in 1 or 2 touches but stay inside the box.

Each sniper has 20 shots / GK rotate every 10 shots

#### Coaching points:

- React to the communication to know where the ball is coming from
- Quick check into space away from the mannequin
- Quality touch to setup your shot
- Quick adjustment of feet to shoot first time
- Look up to see where GK is and pick your spot
- Demand accuracy and quality of ball striking. Want to avoid "hit and hope"
